EVENT OVERVIEW

Returning for its 4th edition, **Vietnam Digital Finance 2026** will be held on **25 September 2026** at **Sheraton Saigon Grand Opera Hotel**, convening 500+ senior leaders from government agencies, regulators and the BFSI sector under the theme "**Powering an Intelligent, Secure, Connected and Sustainable Digital Financial Ecosystem.**"

A visionary Plenary Session sets the direction for the day, followed by dedicated Public Finance and BFSI conference tracks featuring high-impact Executive Talks and expert-led Panel Discussions. Together, they address the policies, priorities and innovations shaping Vietnam's digital finance agenda while fostering meaningful dialogue between public and private sector leaders.

Beyond the conference stage, the **Digital Finance Expo** brings innovation to life through market-proven solutions, live demonstrations and real-world applications. Display the latest advances in AI, data intelligence, cloud, cybersecurity, digital identity, intelligent automation, digital payments, RegTech and InsurTech, while engaging directly with the organizations and decision-makers driving investment and digital transformation across Vietnam's financial sector.
